SUMMARY

Computer Science and Engineering student with **PRACTICAL EXPERIENCE** across **IT support, full-stack development, technical training, recruitment coordination, and student leadership.** Skilled in **C, Java, PostgreSQL, Linux, and cloud technologies,** with hands-on experience in software projects, system troubleshooting, and application development. Experienced in coordinating campus recruitment activities, including resume screening, candidate shortlisting, interview scheduling, and onboarding documentation. Also experienced in delivering technical training sessions, mentoring students, managing digital content, and coordinating institutional events. Recognized for technical project achievements, communication skills, and the ability to work across technical, academic, and operational responsibilities.

EDUCATION

Qualification	Degree / Stream	Institution	Year	Score
Graduation	B.Tech – Computer Science & Engineering	MIT CSN	2023–2027	**CGPA: 7.14/10** (Till Semester 6)
12th Grade	HSC – Science (PCM)	Jijau Junior College, Jalna	2022–2023	**71.33%**
10th Grade	SSC	Shri M.S. Jain English School, Jalna	2020–2021	**79.40%**

LANGUAGES

- Marathi **(Native)**
- Hindi **(Fluent)**
- English **(Proficient)**

PROFESSIONAL EXPERIENCE

➢ **Sales & Marketing Intern - Dnyandeep Foundation Centre (DFC), Chhatrapati Sambhajinagar**

June 2026

- Generated **125+ qualified admission leads** across **5 DFC centres**, including outreach in Selu, Ambad, Deulgaon Raja, Sillod, and Online batches.
- Counselled students and parents regarding admissions across multiple academic programs.
- Coordinated with senior management and centre heads for admissions, examinations, and operational activities.
- Assisted in examination invigilation and administrative coordination while maintaining professional communication.
- Successfully balanced internship responsibilities alongside university Semester End Examinations, demonstrating strong time management and adaptability.

➢ **Hardware & Software Technician Intern - New Technical World, Jalna**

Nov 2025 – Dec 2025

- Diagnosed and resolved **desktop, laptop, printer, and networking issues.**
- Installed, configured, and maintained **Windows operating systems and essential software.**
- Performed preventive maintenance and hardware replacement to improve system reliability.
- Assisted customers with technical troubleshooting and support.

➢ **Freelance Video Editor - Universal Human Values (UHV) Cell, MIT CSN**

Oct 2025 ***(Project-Based)***

- Produced and edited promotional and event videos for the **AICTE UHV FDP-Workshop.**
- Delivered high-quality edited content within a short project timeline.

➢ **Social Media Manager Intern (Remote) - Athlete Meets Explorer**

Aug 2025 – Nov 2026

- Managed **LinkedIn, Instagram,** and **YouTube** content strategy.
- Achieved **15,000+ engagements** through SEO-driven content and platform optimization.
- Analyzed social media performance using analytics to improve reach and audience engagement.
- Planned and executed content calendars aligned with brand objectives.

➢ **Hardware & Software Technician Intern - New Technical World, Jalna**

June 2025

- Supported day-to-day hardware servicing and software installation.
- Gained practical exposure to **computer assembly, OS installation, and system maintenance.**
- Assisted senior technicians in troubleshooting customer issues.

➢ **MS-CIT Trainer - Vighnaharta E-Payment Data Centre, Chhatrapati Sambhajinagar**

Nov 2024 – Jan 2025 **(Part-Time)**

- Delivered structured training in MS-CIT curriculum to **25+ students,** covering computer fundamentals, MS Office, and digital literacy.
- Conducted practical sessions, assessments, and doubt-solving to ensure concept clarity and skill development.
- Improved student proficiency in computer operations, documentation, and basic IT tools through hands-on learning.

POSITIONS OF RESPONSIBILITY & CAMPUS EXPERIENCE

➢ **President – Training, Placement & Entrepreneurship Student Cell MIT CSN**

Nov 2025 – Nov 2026

- Coordinated campus recruitment activities, including resume screening, candidate shortlisting, interview scheduling, candidate communication and onboarding documentation.
- Liaised with company HR representatives, placement officers and institute leadership.
- Managed recruitment drive logistics, student communication and event operations
- Led and coordinated **95+ campus** recruitment drives, including individual campus drives, pooled campus drives and mega recruitment drives.

➢ **AlumniOS Bridge Captain – CSE Department MIT CSN**

Jul 2025 – Nov 2026

- Supported alumni outreach, onboarding, mentorship and placement-related initiatives.
- Facilitated communication between students, alumni and the department.

➢ **Student Coordinator – Training, Placement & Entrepreneurship Student Cell MIT CSN**

Aug 2025 – Nov 2025

- Managed official social media handle, achieving **25,000+ monthly reach** through optimized content strategy.
- Handled digital communication channels and engagement analytics.

➢ **Volunteer – First-Year Student Induction CSE Department, MIT CSN**

2023–2024

- Supported the induction and onboarding of **250+ first-year students.**

➢ **Technical Coordinator – Kalavihangam 2K25 MIT CSN**

24-28 Feb 2025

- Coordinated technical arrangements, scheduling and event execution for an event with **1,000+ attendees.**

➢ **Member – Food Committee, MIT Boys Hostel**

2023–2024

- Oversaw quality checks, feedback collection, and vendor coordination to maintain hygiene standards and improve student satisfaction.

➢ **Active Volunteer – CSE Department & Institutional Events**

2023-2026

- Provided operational support for multiple academic and cultural events, assisting in registrations, crowd management, and communication tasks.

➢ **Member – MIT CSN U.H.V. Cell (Students Wing)**

Till 2026

- Participated in Universal Human Values activities promoting ethical awareness, empathy building, and student well-being initiatives.

TEACHING EXPERIENCE & WORKSHOPS

➢ **Workshop Speaker – Engineering Toolkit: Skills Beyond the Syllabus**

AlumniOS CSE Cell, MIT CSN | August 2026

- Co-delivered an interactive workshop for Second Year and Third Year engineering students.
- Covered **technical skills, projects, Git/GitHub, AI tools, internships, hackathons, resumes, portfolios and professional development.**
- Explained LLMs, prompting, hallucinations, context engineering and responsible AI.
- Introduced the framework: **Learn → Build → Show → Connect → Execute.**

➢ **Session Speaker – Hackathon Hacked 2K26, Technophilia 2K26**

MIT CSN | April 2026

- Delivered a session on **hackathons, career planning, resume building, personal branding and AI tools.**
- Guided students on converting ideas into practical projects.
- Discussed internships, technical competitions and responsible AI usage.

TECHNICAL SKILLS

- **Programming Languages:** C, **Java**
- **Web Development:** HTML, CSS
- **Databases:** MySQL, **PostgreSQL**
- **Cloud & DevOps:** Google Cloud fundamentals, Docker, Git, **GitHub**,**AWS,** CI/CD fundamentals
- **Operating Systems:** Linux, Windows, macOS
- **IT & Infrastructure:** Hardware and Software Troubleshooting, Networking Fundamentals, Linux Administration, System Maintenance
- **AI & Data:** Generative AI fundamentals, Prompt Engineering, Looping Prompting, Data Engineering fundamentals, BigQuery, Vertex AI

MANAGEMENT & PROFESSIONAL SKILLS

Recruitment Coordination | Resume Screening | Candidate Shortlisting | Interview Scheduling | Onboarding Documentation | Stakeholder Management | Student Counselling | Team Coordination | Operations Management | Event Management | Communication | Problem-Solving

PROJECTS

➢ ***MediIndex – Pharmacy Insights & Analytics | B.Tech Major Project***

Node.js • PostgreSQL • Neon • SQLite • React Native • Expo • TypeScript • JavaScript • Vercel

- Developed a **full-stack pharmacy management platform** with medicine inventory, batch-wise stock tracking, expiry alerts, billing/POS, demand forecasting, analytics, QR-based identification, and inter-pharmacy stock management.
- Built the **REST API and backend business logic** using Node.js with a dual-database architecture supporting **SQLite for local development and PostgreSQL/Neon for production.**
- Developed an **Android mobile application** using React Native, Expo, and TypeScript with QR scanning, device authentication, stock receipt, offline queueing, and automatic synchronization.
- Implemented **role-based authentication, FEFO-based billing, inventory movement auditing, idempotent stock operations, and offline synchronization** for supported stock-receipt workflows.
- Deployed the production application on **Vercel** and integrated the mobile application with the production backend; performed backend, integration, regression, and APK validation.
- Implemented role-based authentication, FEFO-based billing, inventory auditing and synchronization workflows.

- Deployed the production application on Vercel.

➢ **TeraPlay — Video Streaming & Downloader**

Node.js • Express.js • JavaScript

- Developed a web application for **video streaming and downloading** using Node.js and Express.js.
- Implemented backend functionality for video handling and streaming workflows.
- Developed using an **AI-assisted development workflow** for rapid prototyping.

➢ **Shop Management System — Freelance Project**

Full-Stack Web Development

- Developed a management system to support core **shop operations and business workflows** based on client requirements.

CERTIFICATIONS & PROFESSIONAL LEARNING

➢ **Systems, Cloud & DevOps**

- **Red Hat Certified System Administrator** from Unnati Development and Training Centre Pvt. Ltd.
- **Certified Linux Administrator By Linux Academy, Australia** from Unnati Development and Training Centre Pvt. Ltd.
- **Linux Administrator for Datacenter** – Silver Certification. From Nasscom
- **KuCL (DeveOps)** from Unnati Development and Training Centre Pvt. Ltd.
- AWS Cloud Practitioner Essentials.
- AWS IoT Learning Plan: Foundations.
- Oracle Cloud Infrastructure 2025 Certified Foundations Associate.
- **Google Cloud Skills Boost – Earned 64+ Skill Badges** across Cloud Computing, Data Engineering, AI/ML, BigQuery, Kubernetes, DevOps, Networking, Security, Terraform, Vertex AI, Looker, Firebase, Cloud Storage, API Gateway, and other Google Cloud technologies.

➢ **Programming, AI & Data**

- Python Full Stack Internship – Kiran Academy.
- Programming in Java – NPTEL, IIT Kharagpur.
- **Artificial Intelligence in Industrial and Management Engineering** – NPTEL, **IIT Kanpur.**
- Introduction to **Vibe Coding – Microsoft Learn.**
- Foundational C# with Microsoft.
- Building LLM Applications with Prompt Engineering – NVIDIA.
- Introduction to Data Science – Cisco Networking Academy.
- Programming in C & C++ – Disha Computer Institute (**97.5%**).

➢ **Cybersecurity & Digital Skills**

- **Cyber Security Foundation** – Cyber Sanskar.
- Advanced Digital Forensics Techniques – Belkasoft.
- MS-CIT – Maharashtra State Certificate in Information Technology **(90/100).**
- Basics of Social Media and Digital Marketing – NIELIT.

➢ **Workshops & Professional Development**

- Build With AI – GDG Chhatrapati Sambhajinagar.
- LaunchLab: Code Beyond the Basics.
- CNCF CSN May Meetup – Certificate of Appreciation.
- 6-Day Online Students' Workshop on **Universal Human Values (UHV) — All India Council for Technical Education (AICTE) (2026)**

ACHIEVEMENTS (Co. & Extra Curricular)

- **Won 1st place at Cogni-Sphere 2025 HackSphere** for developing PharmaManage Pro, a full-stack pharmacy management system with automated expiry alerts, 2D inventory mapping, secure RBAC, billing automation, and inter-pharmacy collaboration tools.
- **Finalist among 800+ teams – Central India Hackthon 3.0,** for developing SwasthyaSetu, a secure healthcare interoperability platform.
- Holds **A 7th Kyu Belt in Martial Arts**, Demonstrating Foundational Proficiency and Discipline
- **State Level Karate Champion –** ***1 Gold, 2 Silver Medals***
- **Open-National Level Karate Silver Medalist** – *Tournament, By IGK-Do Federation* .
